Chinook Memorial

After many years of hard work and planning by the Parker's Landing Park Advisory Committee, the port hosted a Chinook Memorial dedication ceremony at the Parkersville National Historic Site on September 12. Along with several native tribes who provided an invocation, song and tribal drummers, the Chinook Plaza artwork was unveiled. Several dedicatory statues and sculptures (pictured here), are located on the north side of the park, adjacent to the parking area. Port staff and nearly 100 members of the community joined in the celebration honoring the historical significance of the area. More details about the event are found in the port blog. Short video clips of the tribal drumming are available here: www.youtube.com/user/portcw
